Staff Professional Learning Scholarships for 2017 have been awarded to:

JESSICA LANE

Jessica plans to travel to the USA to look at schools with different learning models that focus on Student Centred and 21st Century learning. She will look at a couple of traditional modelled schools to see how they compare. Her focus will be in New York and California as they are the home of the most innovative schools in the USA. She will also visit two university campuses. To finish the trip, Jessica will attend the Big Bang conference conducted by Big Picture Learning whose mission is the education of a nation, one student at a time. Big Picture's vision is the generation of innovative, personalised learning environments that work in tandem with the real world of their greater community. At the core of Big Picture Learning's mission is a commitment to equity for all students, and the expectation that these students can achieve success.
