

LONG BAY COLLEGE

Care, create, excel

2025 YEAR 9 DESIGN & VISUAL COMMUNICATION STUDENTS

Dear Parents/Caregivers

Each student taking Design and Visual Communication as an option is expected to have a range of specialist equipment essential to the subject. In previous years, equipment purchased at local outlets, as opposed to that available from school, has been of variable quality and sometimes has not been suitable to subject requirements. To standardise equipment and to simplify purchase procedures, we have a DVC 'Kit' which is available to students from school.

We request that all Year 9 Design and Visual Communication students purchase this kit. The kits will be given to students by teachers during the first week of their course.

The cost of the DVC Kit is \$55 including GST.

This includes a \$5 class materials fee and the DVC Kit. The kit includes two set squares, an A3 paper pad, an A3 backing card, an eraser, a set of black fine liners, drawing pencils and a set of colouring pencils presented within an AC zip-up case.

Please make payment before the end of Term One.

Payment can be made by:

- Internet banking, instant transfers, and credit card options available.
- Visit support.mykindo.co.nz for more information on payment options.

If you have any queries, please email jdurdevic@lbc.school.nz

Yours sincerely

J Durdevic
