LONG BAY COLLEGE

Care, create, excel

www.longbaycollege.com

An education experience created with care

Study at a high-ranking secondary school with an exceptional culture of care

We support all our students to reach their own levels of personal excellence and develop a passion for lifelong learning.

Be inspired to grow and succeed

Long Bay College offers an extensive choice of academic subjects, as well as a wide range of options in the arts, sport and technology.

Become a part of our inclusive community culture

We are proud of the cultural diversity within our school and foster a global perspective across all our students.

Live in a safe location near one of Auckland's most beautiful beaches

In a top residential area on the beautiful North Shore of Auckland, just 25km to the city, you can experience New Zealand at its best. Long Bay College is situated close to Long Bay regional park and marine reserve, local shops, sports facilities and cinemas.

Experience a wide variety of opportunities

Choose subjects to suit your interests and aspirations

- Whether you choose Sciences, Arts, Business, Technology or Sport, we offer subjects that will inspire you.
- Study English for Academic Purposes – multi-level English language courses which promote additional academic skills and cultural understanding.
- Gain NCEA qualifications through individualised pathway guidance to support University Entrance.
- Choose to study for Scholarship examinations and be amongst the top students in New Zealand.
- Attend our after-school English Academy, where you can accelerate your English acquisition.
- Sign up for our intensive IELTS programme, leading to an internationally recognised English qualification.
- Gain Adobe and Microsoft qualifications through our accredited courses.

Enjoy our modern facilities, extensive park-like grounds and friendly community:

- Highly resourced media, computer, science, language and technology classrooms
- Modern learning environment in maths, business, art and photography
