Extra costs not covered in Fees

- Uniform (approximately \$400-\$500)
- Stationery (approximately \$150) – Cost depends on subjects chosen
- Extra / Co-curricular activities – Costs depend on activities chosen; some are free
- School subject trips and field trips – These depend on classes taken.
- Laptop (all students are required to have a laptop or tablet which is compatible with Microsoft 365 for some of their classwork)
- Spending money including mobile phone charges, bus card etc.
- Travel to, from and within New Zealand. This includes school bus fares where necessary (approximately \$2-\$3 per journey).
- NCEA exam fees (\$383.30 per year, subject to change by NZQA)

Please note – our Subject Fees are now included in our Tuition fees.

Accommodation Fees

Homestay Fees

Students should arrive at the Homestay about 3 / 4 days before orientation.

All students must live with a Long Bay College approved Homestay caregiver (police vetted), a Designated Caregiver or a legal guardian/parent.

The Accommodation Coordinator will inspect and monitor all Homestay and DCG accommodation according to the Code of Practice. This is included in the Homestay / DCG Administration Fee.

Long Bay College pays the Homestay caregiver every two weeks and accounts for all money received and payments made from homestay money.

Homestay fees will be paid fortnightly.

If a student wishes to change Homestay, a 2-week notice period must be given.

If students are away from the Homestay over the summer holidays, a charge of \$10 per night will apply. If students are away from the Homestay at any other time of the year, the full weekly fee as per above fee schedule will be charged.

Any Homestay money remaining at the end of the student's stay in New Zealand will be refunded into the payee's bank account in the home country.

Designated Caregiver (DCG) Fee

Any DCG accommodation charges should be a private arrangement between the student's parents and the DCG parents.

However, students in DCG accommodation do pay the Designated Caregiver Administration fee, as per above fee schedule, per year to the school.

This fee covers DCG inspections and additional administration; Long Bay College is legally required to regularly check each house to make sure it is suitable for our students.

Students staying with parents are not charged the DCG fee. However, the accommodation will be inspected initially once they have settled in and again at any time they decide to move.

NOTES:

- **Education (Pastoral Care of International Students) Code of Practice**
Long Bay College is a signatory of the Education (Pastoral Care of International Students) Code of Practice, 2016. We follow the guidelines and expectations set out in the Code. This includes the latest amendments made in 2019.
- **Airport Transfers**
Long Bay College arranges a personalised service with approved airport transfer companies. For most trips, this is with Shore Shuttles.
- **Student Visa**
It is the responsibility of the student to ensure that he/she has a valid visa to study at Long Bay College. Failure to do so will result in students not being allowed to attend school again until they receive their new visa. Long Bay College can assist students with visa renewal unless they come accompanied by their parents and their visa is linked.
- **Academic Reporting Fee**
This fee covers academic reporting and collation of academic grades, which may also be apostilled if required. The fee also includes NCEA assessments and certification for those who choose an NCEA pathway or need grades for their schools back home.
- **Contingency Fee**
This money will be used solely for school activities and the purchase of bigger school-related items (including private external tuition and the purchase of school uniform for long term students), unless you also give permission for students to use it otherwise (such as for supervised trips with approved external tour operators).

We will continue to inform you of all overnight trips that students wish to participate in and seek your approval in advance.

Please note that whatever remains of this money at the end of students' stay is fully refundable. We will send you a statement of their accounts upon parental request.
- **Medical Insurance**
Long Bay College will arrange insurance for students through a New Zealand company, Mercer Marsh (Allianz Partners). This will include travel and medical cover.

Alternative insurance taken out in the home country must be approved by Long Bay College.

Paying Fees Online

You can pre-pay your school fees and accommodation fees by making an international transfer directly from your local bank account to the Long Bay College account.

An international funds transfer enables you to make your payment safely and quickly in your local currency or in a variety of major currencies. You will need to pay additional transfer fees but you can track the progress of your payment online.

Alternatively - Paying with Cohort Go

- Direct bank payments can also be made via Cohort Go, our payment platform which enables payments to be made directly in parents' local currency from their home bank account with no additional charges.
- There is now a button to access the Long Bay College Cohort Go platform directly from our website.
- You can register on the secure Cohort Go domain and enter your payment details straight from our website.
- You will receive a preferential exchange rate for your local currency and be able to select your payment method.
- You can make your payment into the local Cohort Go account in your home country free of charge via online banking. If paying via credit card simply enter your details into the system.
- You can track your payment from issue to receipt in the school bank account.

Refund Policy

Fees Protection

Long Bay College confirms that the fees paid by International students for educational instruction in New Zealand are secure and protected in the event of student withdrawal or the ending of educational instruction or the closure of the signatory.

Please see our Fees Protection Policy for International Students Fees Paid in Advance on our website for further details.

Refunds depend on the circumstances and time of the withdrawal.

Please see our Refund of International Student Fees Policy on our website for further details.

Refund of Homestay Fees

Please note the balance of homestay money will be refunded in full back to a nominated bank account, usually the parents', in the source country, at the time the student signs out of Long Bay College. Any other outstanding fees owed to the school will be deducted from any money to be refunded.
